ALL ABOUT ME

I am focused on extending my functional testing skills with no relevant commercial experience but having a strong desire for development in software testing. My qualities such as sociability, flexibility and dependability make me good at teamwork.

EMPLOYMENT PREFERENCES

- My primary motivation is the opportunity to develop and gain experience in software testing
- Ready for all types of employment: full time, part time, internship, volunteering, work placement
- Work schedule: full day, flexible schedule, remote working
- Working place: office work, remote work
- Location; Minsk, Belarus, Open to relocate, prepared for business trips

CERTIFICATES

- Software Testing. IT Academy. Minsk, March 2021
- Information Security Awareness for Everyone (iSAFE). World Anti-Doping Agency. May 2020
- Internal auditor of the quality management system (IS ISO 19011: 2018). Belproektconsulting. Minsk, October 2019

OTHER INTERESTS

Reading of quality assurance relevant professional books and Web-sources (articles, professional courses, YouTube, Community-Z, forums etc.), learning English.
Interests and hobbies: I prefer classical literature, visit museums, theaters, concerts. I like to travel and go on hiking trips. In my free time I like to be outdoors and volunteer. I also like doing sports, gym, bicycle, swimming. I am a postcrosser and like to exchange postcards with people from all over the world.
